

## **DECLARATION**

I hereby declare that this study was conducted by me at Swami Vivekananda Yoga Anusandhana Samsthana (S-VYASA), Bangalore, under the guidance of Dr Subramanya Pailoor, Division of Yoga and Life Sciences and Dr Prabhavati, Professor of Cardiology, Sri Jayadeva Institute of Cardiovascular Sciences and Research, Bengaluru, India. I also declare that the subject matter of my thesis entitled **“EFFECT OF INTEGRATED APPROACH OF YOGA THERAPY BASED REHABILITATION PROGRAM ON LEFT VENTRICULAR DYSFUNCTION SECONDARY TO CORONARY ARTERY DISEASE - A RANDOMIZED CONTROL TRIAL.”** has not formed the basis of the award of any degree, diploma, associate-ship, fellowship or similar titles previously.

**SRIHARI SHARMA K N**

Place: Bengaluru

## ACKNOWLEDGEMENT

First and foremost, I bow to the Almighty, for His showers of blessings throughout my research work to complete my research successfully.

To my life-coach, my late parents Smt. Lakshmi Devi and Sri. K. Narahari Sharma: because I owe it all to you. Many Thanks!

I would like to thank the following people, without whom I would not have been able to complete this research, and without whom I would not have made it through my doctoral degree!

I would like to express my deep and sincere gratitude to my supervisor Dr. Subramanya Pailoor, Professor, SVYASA university and co-supervisor Dr. Prabhavathi, Professor of Cardiology, Sri Jayadeva Institute of Cardiovascular Sciences and Research, whose insight and knowledge into the subject matter steered me through this research.

A special thanks to Dr. Nidhi Chaudhary, Dr. Amratanshu Ram, both from SVYASA university and Dr. Smeeta Shrestha, Dayananda Sagar university, whose support allowed my studies to go the extra mile.

I would like to thank Dr. H.R. Nagendra, Chancellor of Swami Vivekananda Yoga Anusandhana Samsthana (S-VYASA) and Dr. C.N. Manjunath, Director of Sri Jayadeva Institute of Cardiovascular Sciences and Research, Bengaluru for providing the opportunity to conduct this study.

I would like to thank Dr. R. Nagarathna, Chief Medical Director, Arogyadhama, for her constant guidance throughout the study and specially for her contribution in the development of the yoga module for cardiac health. I also thank my mentor and exemplar Dr. B.N. Gangadhar, Director, NIMHANS and Dr. Raghavendra Rao, Director, Central Council for Research in Yoga and Naturopathy for their valuable inputs and support at different points in time during my research. I acknowledge all the professionals who participated as experts in the process of validating the yoga

module for their co-operation and time.

A very special gratitude goes out to Professor David Hare and Dr. Samia Toukhsati, the innovators of Cardiac Depression Scale as well as Professor Mark Hlatky, the innovator of the Duke Activity Status Index for permitting me to utilize the questionnaires for my study.

I am also grateful to the following SVYASA university staff: Dr. Ravikumar Itagi, Dr. Raghavendra Bhat, Dr. Soubhagyalaxmi Mohanty, Dr. Sushruta, Sri. R. Ramachandra, Sri. Tikhe Sham Ganpat, Dr. Ashween S. Bilagi, Dr. Suchitra, Sri. Tyagaraja and Mr. J. Venkatesh, for their unfailing support and assistance.

I would like to acknowledge Dr. Amruta, Dr. Naveen Bhat, Dr. M.C. Nagaraj, and Mr. Bhaskar for their contributions towards review of traditional Sanskrit texts for my research work. I would like to acknowledge Dr. Gauri Rokkam, the holistic nutritionist, for formulating a diet plan for the participants of my study.

Furthermore, to staff at Sri. Jayadeva Institute of Cardiovascular Sciences and Research, Dr. Surya Prakash, Assistant Surgeon; Mr. Kailash Kulakarni, the yoga therapist; Ms. Radha, Physiotherapist; Mr. Krishna Murthy.V., research coordinator; Mr. Vishwanath, echo technician; the M.Sc. students of SVYASA University, the M.P.T. students of Dayananda Sagar university and the B.P.T. interns of Dayananda Sagar College of Physiotherapy, who took the time to assist in the screening of the participants, and carrying out the intervention. My sincere gratitude to Ms. Anita, office staff of the college of physiotherapy, Dayananda Sagar university, for her assistance in patient data entry. I would also like to thank all patients and treating team, for their individual and collective contributions in completing this study.

My co-scholars at SVYASA university and colleagues and mentors at the Dayananda Sagar university, including Sri Galiswamy, the Secretary, MGVP trust; Sri. Thyagaraj, former Vice President(Human Resource); Sri N. Narayanappa, the former Director of the College of

Physiotherapy; and Dr. Anil. T. John, Principal, College of Physiotherapy, who have supported me and had to put up with my stresses and moans for the past couple of years of study!

I am also grateful to my friends, notably, Sri. Harish N. Rao, and my family members, specially my in-laws, who have supported me along the way.

Finally to my caring, loving and supporting wife Ms. Tejaswini and children, Chi. Nrukesari and Chi. Saketh, who have provided me through moral and emotional support in my life. My heartfelt thanks.
