

## ACKNOWLEDGEMENT

I offer my humble salutations to the infinite universal soul, without his choice it would have been impossible for me to accomplish this work. I am indebted to Swami Vivekananda Yoga Anusandhana Samsthana (SVYASA) for giving me this opportunity to study PhD. I express my profound gratitude to Dr Prahlada Ramarao for his regular support and kind guidance. I am very grateful for his continuous encouragement and motivation. I express my sincere gratitude to Dr Hemant Bhargav for his kind guidance, continuous support and unconditional love. Without his insightful guidance, it was not possible to complete this PhD work in time. Words are not sufficient to express my gratitude towards him. My sincere thanks to Guruji Dr H R Nagendra, Dr R Nagarathna, and Dr Ramachandraji Bhat for enlightening me by the divine knowledge of yoga.

I am indebted to Department of Integrative Medicine, National Institute of Mental Health and Neurosciences (NIMHANS) for giving me the platform for this research study. I would like to thank Dr Shivarama Varambally for his insightful guidance and support. I Thank Dr B N Gangadhar for his valuable guidance and love. I express my sincere gratitude to Dr Nishitha Jasti for her support and valuable contribution to this project. I thank all the staffs of the Department of Integrative Medicine, NIMHANS, for their support.
